

## HIGH PERFORMANCE

The purpose of high performance is to sponsor top Saskatchewan dart players to travel out of province to compete in tournaments that are ranked by the National Darts Federation of Canada. Based on funding available, the SDA executive will make the commitment to send players to one tournament each year.

The SDA executive has set out the following guidelines.

- The SDA executive will decide annually which NDFC-ranked tournament to send players to
- For each HP-sponsored tournament, two men and two women will be offered the chance to travel
- Selection will be based on the SDA ranking as of September 15
- The SDA will provide funding for the following up to a maximum of \$1000 per tournament:
  - two hotel rooms for two nights (based on two men and two women sharing)
  - entry fees for single events
  - entry fees for ladies doubles/men doubles
  - the remaining monies will be split equally amongst the drivers (car pooling is strongly encouraged)
- To be offered a HP position, players must be an SDA member in good standing for at least one year
- A player may only attend one of the two SDA-sponsored HP shoots per dart season
- The SDA tournament director will be responsible for contacting the players regarding HP sponsorship and will notify the SDA executive of those participating
- Booking of hotel rooms and payment of HP expenses will be the responsibility of the appointed team captain
